more than meets the eye

At first glance, Moss Point High might look like an average American high school, but within these walls and behind these doors, are students, teachers and staff who are truly unique. Our school is filled with energy, inspiration, and compassion. We all share a love of one thing: education. Everyone has their own special place in Moss Point High. Although, our school may not be perfect we will always hold a special place for it in our hearts, because it's ours.

Dr. Tressie Harper

Dear Moss Point School District Family Members,

The 2004-2005 school year brought to us many opportunities for success. Our students have risen to the challenge of new graduation and accreditation requirements. No Child Left Behind federal legislation has become a familiar term for teachers and students. Our responsibility, as educators, is to inform our students of such high expectations for student achievement. We want our parents to be partners with us in terms of reaping great success in all state-mandated test results. Are test scores important? Absolutely! However, we must prepare well-rounded students who enter the workplace or university ready and able to succeed. To this end we have provided a rich curriculum menu: JROTC, Cisco Academy, Art 1 and 2, Forensics, Sports of a variety, dual enrollment at MGCCC, on-line courses, and many more. Our students leave us with learning opportunities second to none. Whether it is advance placement courses of foreign languages, we offer the best. Our students have a maturity which is noted when they go to events, as well as when we have visitors to our campuses. Comments are always given about their good manners and high intellect. We are proud of all our students' achievements, and we commit ourselves to ongoing service to them and their endeavors.

Sincerely,
Tressie Shaw Harper, Ph.D.
Superintendent

The School Board

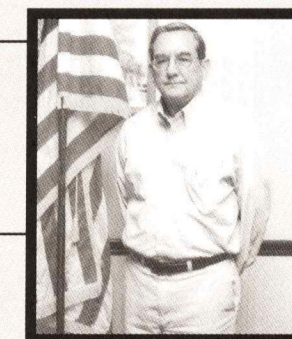

Mr. Henry Pate

Mr. Clarence Dubose

Mrs. Pamela Perkins

Mr. Joe May

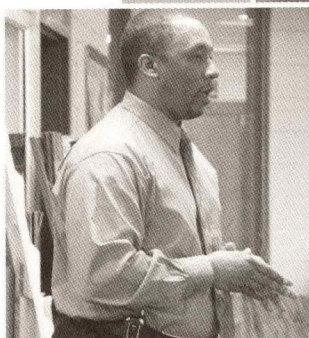

Mrs. Mary Carter

Mr. Fred Presley

The Board of Trustees for the Moss Point School System is made up of five members. Four are appointed by the Board of Aldermen. The fifth member is elected from the district outside the Moss Point municipality. The members are Mary Carter, President; Joe May, Vice-President; Fred Presley, Secretary; Pam Perkins, member; and Clarence Dubose, member. The members of the Board of Trustees comes from varying occupational fields. Mary Carter, is a retired English teacher; Joe May is an engineer with Northrop Grumman Ship Systems; Fred Presley is retired from Chevron and is self-employed in the construction business; Pam Perkins is a legal secretary; and Clarence Dubose is self-employed and owner of Medi-Mart Pharmacy. Board members are appointed, or elected, for five-year terms that are staggered so that the term of one member ends each year. That member may be re-appointed by the Board of Aldermen or re-elected in the case of the one member who is elected. The Board hires the superintendent, establishes policy for the district, ensures that policies are followed, and oversees budgetary matters.

Mr. Tommy Molden, Principal

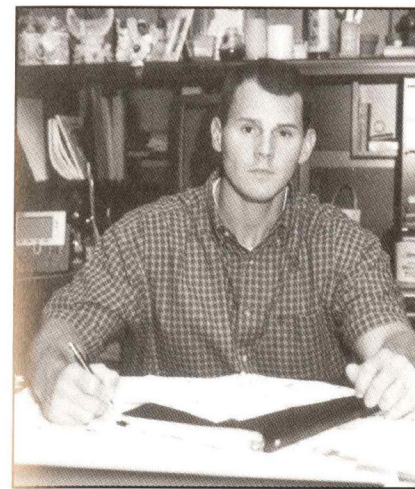

School year 2004 - 2005 can truly be called progressive. Consider all that has been accomplished to enhance our school's learning environment and opportunities for success for Moss Point High School students. The advent of uniforms for all high school students reduced opportunities for distraction from academics. Academic offerings were expanded, particularly in technology and foreign language. Students' positive attitudes became visible in how they carry themselves and how they attended to their lessons, taking high stakes testing more seriously. Test scores improved. Pride in extra-curricular activities showed, particularly in band and sports. Teacher support helped make a positive difference in our school and its image in our coast community. The senior class garnered over \$2.5 million in scholarships. While this is now visible to all of us, as we processed through the year, there truly was "more than meets the eye" as the Moss Point High School family evolved. Administrative leadership set and met goals solidly from August, 2004 through May, 2005.

Congratulations, Seniors! Thanks and well done, administrators and staff. And thank you, faculty.

I am proud to have been your leader.

Sincerely,
Tommy Molden, Principal

The Assistant Principals

James Smith

I sincerely believe that our school is a hot-bed of academics and extra-curricular growth. I foresee this trend to excel and increase greatly in the immediate future. I feel our school has its own unique culture and dynamics that make it stand out as the best high school on the Mississippi Gulf Coast. The students and faculty are what make Moss Point a unique and proactive learning environment of success, and there is no other school I would rather be a part of. Thank you Moss Point High School for being the best!

Sincerely,
Mr. James Smith

B.P. Johnson

Moss Point High School is an educational community that keeps students as its number one priority. Through the diligent efforts of the best teachers and administrators in the State of Mississippi, students are challenged, inspired and motivated to achieve both in and out of the classroom. Thus, our young adults graduate to become capable, knowledgeable, productive citizens who enjoy boundless possibilities for their futures.

Sincerely,
Mrs. B.P. Johnson

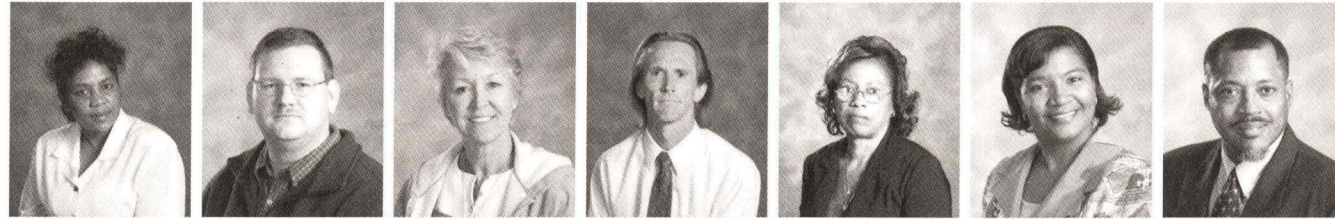

John Guthrie

As my first year at Moss Point High School comes to an end and I reflect on the school year, I must say that it has been one of the best experiences of my life. I have had the opportunity to work with some wonderful people and I have enjoyed being around the student body. Moss Point High School has a personality that is unique when compared to other schools I have worked at. I have been impressed with the student body and how you support your school and your fellow students. There is a closeness and sense of family through out the student body. Have a great summer and let's return in August to continue moving Moss Point towards our destination LEVEL 5! I would like to wish success and happiness to our senior class. Walk with God and you will never walk alone.

Sincerely,
Mr. John Guthrie

Dressed For Success

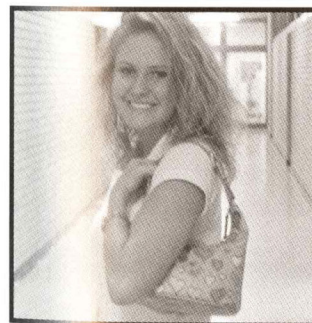

Despite being a uniform school, students still found ways of adding flavor to their everyday wear of white, navy, or baby blue tops with khaki or navy bottoms. Students displayed individuality through accessories and hairstyles. Many girls kept up with trends through unique purses, and jewelry. Although it was a challenge to personalize the uniform, students found reasons to appreciate them. "I like the fact of not worrying about what I'm going to wear," said Sophomore Chloe' Pickett

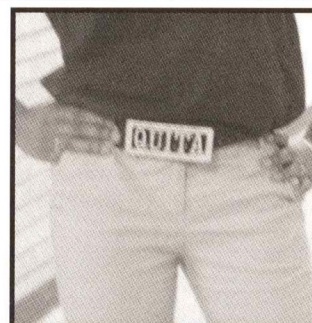

BATTLE OF THE BANDS(left) Livestrong bracelets are the hottest new thing this year.

Summer Nelson models her Dooney and Bourke purse, designer logo purses were very trendy this year.

Tequita Biggs is sporting her rinstone studded belt with her name on it.

Samantha Taggart and Brittany Norsworthy are seen here wearing the "popped collar" look.

One of the most popular shoes at Moss Point High are Clarks. They look hot with whatever uniform style you choose to follow.

Homecoming...more than just spirit.

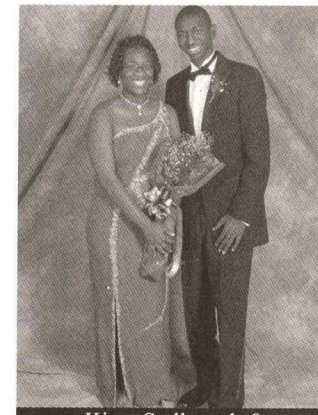

• "Spirit Week" is a unique and celebrated time of the school season that ushered in the widely popular Homecoming. The halls were divided among grades and decorated with a stylish, exclusive themes that radiated the school pride exhibited by Moss Point High School. Though every hallway had its own unique style, the Sophomore Class won with their jungle themed hall. "I am happy we won and I am surprised because there was a lot of competition,"

Sophomore Class president, Alyssa Williams said.

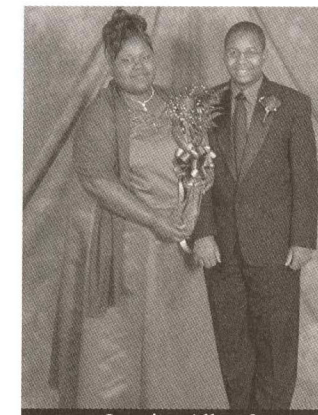

Hallway decorating wasn't the only event during Spirit Week that numerous students participated in. Special days that were marked by on-going fun and excitement were enjoyed by Moss Point High School students and faculty. Some of these eventful days included in the week were Hat Day, Jersey Day, Dress-up Day, and Tiger T-shirt Day.

The Bold and the Beautiful

The Moss Point High School Beta Club hosted a beauty pageant on April 16, 2005. Many students dressed in their best with hope to win the titles of Mr. and Miss Tiger 2005. A class beauty and four alternates were chosen from each grade. Awards were also given to the most photogenic and to the girl with the best fashion in each grade. The emcees for the evening were Beta Club member Jillian Matthews and Miss Tiger 2004 Lindsay Burt. Mr. and Miss Tiger 2005 were Rickey McCorvey (12th Grade) and Samantha Taggart (11th Grade). The pageant was a huge source of self confidence for the contestants. Those who won gained self confidence that will stay with them throughout their lives, and those who did not win understand that it was the opinion of only four people. It was a wonderful evening and everyone enjoyed themselves.

Prom Queen and King,
Generetta Nettles and Javon Roberts

Over 230 students attended Moss Point High's Prom. The prom was beautifully decorated by professional decorator Kristen Stewart of Ocean Springs. Students danced all night long to stylish tunes played by V104.9 Radio DJ Freaky Frank Nitty. This year sophomores were allowed to attend the prom to improve attendance. "Prom was very nice. I really enjoyed myself." Junior Keyetta Sparrow said. This year's prom King and Queen were Javon Roberts and Generetta Nettles.

The Lady Tigers were not as successful this season compared to the past. The team was young comprised primarily of 7th and 8th graders. The two standouts this year were Briana Webb, who brought home the state championship in the Discus throw, breaking a state record! Also, the girls 4x100 meter relay team of Brittany Jones, Precious Miller, Tiffany Dixon, and Shameka Richardson qualified to run in the state meet.

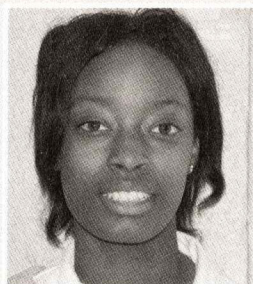

Getting on

....the right track.

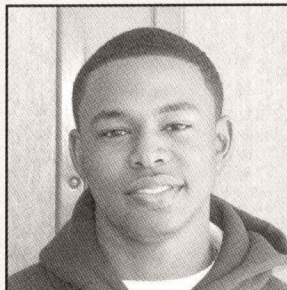

It was a great year for the Moss Point's boy's track team! At the height of the season, the boys were dressing out 30 athletes per track meet. Moss Point was consistently first in the boys 4x100 meter relay all year until South State and State, where they finished 2nd. Kevin North was one of the many standouts this year. Kevin finished first in the 100 meter dash all year. The team was the division champion this year, and looks forward to great seasons to come.

Slide IN TO HOME

The Moss Point Tiger baseball team had a tough season. They started off with many key players injured. As the season moved along the team came together and became very competitive and gave valiant efforts on the field. The team made improvements as the season progressed and its future looks bright. The young guys gained valuable experience and the youthful pitching staff will be returning with a year of varsity experience under the belt. Next year's Tigers should be very exciting to watch!

Dear Moss Point High School,

My first year as editor of the Growler is a year in my life that I will never forget. It has provided me with many experiences, friendships and memories that I will always cherish. Having begun my term, I sought to make changes to create a very professional appearance. Hopefully, these changes have been noted by, and are beneficial to the entire Moss Point High Community.

I would like to thank the entire Growler staff, Klancey Phillips, and Mr. Don Vardell for working with me throughout this schoolyear. Their tireless efforts helped produce a yearbook in which I take great pride. I would also like to extend a thank you to Moss Point High School administration, faculty, staff and the student body that I have had the opportunity to associate with. Once again, thank you all.

Sincerely,
Jillian Matthews, Growler Editor

Empty Seat

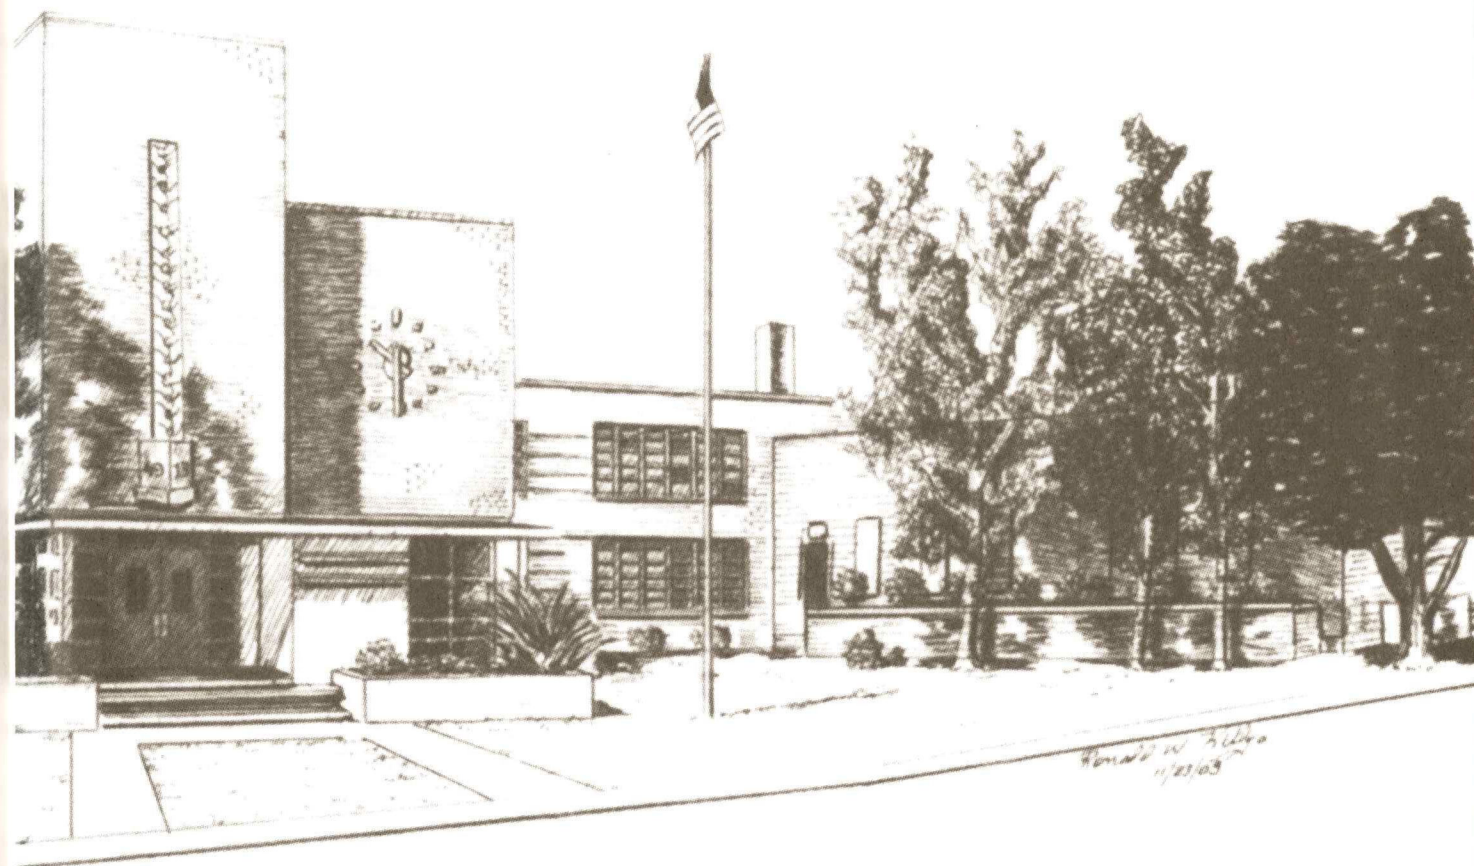

By George Boudreaux

Blessed am I to have known who you were A true friend, but now I see through a blur. The tears I cry obstruct the world I see and I say to myself, "How could this be?"

Pain and sorrow tear at my mind, tears that will only heal in time. We all grieve because of our loss. Lessons were learned, but what was the cost? Many who knew your friendship, hold it dear, now God can see you and hold you near. So now you're gone and we need to move on, to leave the pain but your memory lives on. And today I sat not even three feet from the last place we did meet, the only difference was yours was an empty seat.
